MEMORANDUM FOR : Major General Robert A. Freitweller, USAF  
Director for Intelligence  
The Joint Staff, Joint Chiefs of Staff

SUBJECT : Operational Data for the Interim Joint  
Reconnaissance Center

REFERENCE : Memorandum to Deputy Director, CIA, from  
Director for Intelligence, Joint Staff, same  
subject, dated 5 December 1960

1. In response to your request in reference, I have directed our operations personnel to establish coordination with the interim Joint Reconnaissance Center (JRC) to insure timely notification of any reconnaissance activities planned by this Agency.
2. Until such time as the JRC becomes fully operational, it is proposed that alerts will be passed to the interim JRC through AFCON-3A of Headquarters, USAF. This procedure will hold to a minimum the number of telephone calls between our respective headquarters and is believed desirable in the interests of security. I am advised that these procedures have already been implemented and are functioning to the satisfaction of all concerned.
